Miami Lakes, FL (April 27, 2011) – JetStream Federal Credit Union has appointed a new member to its board of directors. Joining the board of the \$126 million financial institution is Clinton Weekes of Miami Lakes.

"Mr. Weekes brings a wealth of leadership and credit union experience to our board," said Bolivar Perez, chairman of the board. "He has deep roots in our community and an excellent understanding of the unique role that credit unions play in delivering superior financial services to our members. Those qualities will allow him to make strong contributions to the credit union."

Mr. Weekes currently serves as operations manager of the Miami Air Traffic Control Center, where he has worked for 27 years. His credit union experience includes a 13 year term as chairman of the supervisory committee, prior to serving as chairman he was a committee member. Clinton is well known for his strengths in communication, leadership, organizational skills, and innovation.
