As a member of JetStream Federal you already know the benefits of belonging. Give those you care about the same opportunity that you have to take advantage of the many valuable programs we offer.

## Save Money, Save Time: Car Buying Made Easy

**A**t JetStream Federal, we understand that buying a new vehicle can be stressful with shopping from place to place to haggle for the best deal. That's why we provide our members with a free Auto Advisor service.

As your credit union where "people matter most", we have your best interests in mind. We're here to give you great service, not fill quotas since our business is not to sell you the latest model, but to put you in the car that best suits your needs.

Here's how our free Auto Advisor service works:

- 1 Call Sy Geier at 305-821-7060, ext. 130 or meet with him at our Miami Lakes branch, Monday - Friday from 8:30 a.m. - 2:00 p.m.
- 2 Provide Sy with information about the vehicle that you're interested in purchasing (make, model, options, price range, etc.).
- 3 Through his vast relationships with area dealers, Sy will locate the car and negotiate the deal, which could save you big money.
- 4 Sy will let you know the price and details to get you behind your dream car quickly and easily. Without any hassles.

If you're ready to purchase a vehicle, join the many JetStream Federal members who have saved time and money by calling Sy Geier first.

Another great car buying experience with the help of our auto advisor.
